RENEWAL CERTIFICATION OF REGISTERED CONTAINER CODE

(VALID FOR YEAR 2010)

This is to certify that the annual renewal protection fee has been duly paid for above mentioned year for container code:

DAHU

and consequently, this code remains registered and protected by BIC on account of :

DAHLSON INDUSTRIES LTD

for the current calendar year.

Furthermore, its validity shall be extended beginning of the FOLLOWING YEAR until the issuance of the billing for the next year Renewal Fee and reception of payment in full in the following month.

Default in payment for annual renewal may result in cancellation of the Code by June of the year of renewal.

The owner should be reminded that registration with BIC is required by ISO standard 6346 and by the National Customs Administrations according to Customs Convention on Containers (CCC-1972 revised 2008). This grants the benefits of free circulation and temporary admission for containers carrying owner's code registered with BIC.
